EQC Edition 1886
Effective from June 2019 Production.

Mercedes-Benz
Pioneering the future since 1886

The all-new EQC Edition 1886 is a celebration of our pioneering spirit. Just like the first automobile, invented by Mercedes-Benz in 1886, this exceptional limited edition electric car marks a new era of mobility. Zero local emission driving has never looked this exciting and never felt more inspiring. Equipped with the highest standard of comfort and innovative technology, discover the all-new EQC Edition 1886.
A new aesthetic with clean, organic lines full of purpose and excitement: the EQC Edition 1886 is a rare gem in every sense. Its EQC Edition 1886 badge sits proudly on the front wings of the sleek exterior, painted in high-tech silver. Chrome elements on the front grille and aluminium running boards emphasise this bold look, reinforced by 20" 10-spoke alloy wheels.
Welcome to your zone of calm: seats in sophisticated two-tone DINAMICA microfibre with an '1886' badge in the headrests and matrix-style trim elements set the scene. A wealth of technology, designed for the most effortless driving experience, is at your fingertips: MBUX system including 10.25" instrument display and 10.25" media display with touchscreen complete with tailored navigation services. The head-up display in the windscreen provides vital information on route, from charging status to traffic signs, while the Burmester® surround sound system guarantees a spectacular audio experience.
# Exterior highlights

## Exterior
- Aluminium running boards
- Badge on the wing in high-gloss black with chrome stripes and special ‘EQC 1886’ lettering
- Multibeam LED headlights
- Privacy glass
- Sliding sunroof

## Paint
- Paint – high-tech silver metallic

## Wheel
- 20" alloy wheels (4) – 10-spoke design, painted high-gloss black with high-sheen finish and white elements; front: 235/50 R 20 tyres; rear 255/45 R 20 tyres
Interior highlights

**Interior**
- ENERGIZING package
- Memory package
- Ambient lighting
- Floor mats – “EQC”-embroidered
- Split-fold rear seats 40:20:40

**Trim and upholstery**
- Dashboard in leather look
- Trim – matrix-look with high-gloss centre console and ‘1886’ badge
- Upholstery – ARTICO man-made leather/DINAMICA microfibre

**Communications and In-Car Entertainment**
- Augmented navigation
- Burmester® surround sound system
- Live traffic information
- Hard disk navigation with EQ navigation services and live traffic information - three years
- EQ navigation services
- Smartphone integration
- MBUX system including 10.25" instrument display and 10.25" media display with touchscreen
- Wireless smartphone charging
Meet your MBUX (Mercedes-Benz User Experience) Assistant. A simple “Hey Mercedes” activates the infotainment system and allows you to manage different functions by voice control or hand gestures. With every trip it learns more about you and your preferences, and adapts accordingly.
Mercedes me connect links you to your vehicle and your vehicle to anything that is important to you.

**EQ Remote and Navigation Services (13U)**
Ten years¹ subscription standard with vehicle
- EQ-specific navigation that considers electrical range, topography and charging stations
- Programming of charging settings and charging status
- Programming of pre-entry climate control

**Navigation Services (01U)**
Three years¹ standard with vehicle
- Available parking spaces
- Live traffic information
- Local search
- send2car

**Infotainment**
Twelve month¹ subscription
- TIDAL HiFi music streaming

**Vehicle Monitoring (09U)**
Three years¹ standard with vehicle
- ECO display
- Geo-fencing
- Parked vehicle locator
- Vehicle tracker

**Vehicle Set-up (08U)**
Three years¹ standard
- Personal profile
- Remote door locking/unlocking
- Remote vehicle status

**Charging your EQC on the road**

Charging your EQC couldn’t be easier. You can charge your EQC in 45 minutes using a 110 kW DC rapid charging station. Mercedes me charge provides access to a multitude of public charging stations all over Europe. It shows the precise location, current availability and price at the selected charging station. The vehicle’s navigation system is also provided with this data, enabling it to adapt its route guidance accordingly. Authentication at the charging point takes place via the media display, the smartphone app or the RFID card. Everything else is handled automatically through Mercedes me charge. One log-in, one invoice.

**Mercedes me charge**

- 7.4 kW on-board charger
- 110 kW DC on-board charger
- 80 kWh battery
- CCS-2 connector (compatible with AC and DC)
- Charging cable for wallbox and public charging stations, Type 2 (Mode 3), 4 m
- Rapid charging with IONITY – one year
- Mercedes me charge – three years
  - Single contract covers all billing
  - Fully-integrated access to a host of public charging stations
  - One-time registration and activation as part of Mercedes me connect
  - Use via app, MBUX multimedia system or RFID card

**Charging your EQC at home**

You can charge your EQC at home using a 7 kW Homecharge unit in just 11 hours and 25 minutes! Just plug in overnight and it will be ready to go in the morning. Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a Homecharge wallbox through our charging partner BP Chargemaster.

**Key benefits of the 7 kW BP Chargemaster Homecharge:**

- Robust and weatherproof, for indoor or outdoor use, and comes with a three year warranty
- Installed in as little as four weeks
- As a Mercedes-Benz driver, when you install a Homecharge unit through BP Chargemaster you will automatically receive three months FREE plus membership to Polar, the UK’s largest public charging network with over 7,000 charge points

**Questions?**

Simply email mercedes-benz@bpchargemaster.com or call their dedicated Homecharge team on 01582 399 412

**HOMECHARGE 7 kW: £854* incl. VAT & installation**

*Based on 7 kW power output for electric vehicles, charge times are approximations only. Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wallbox (three-phase) or standard socket (single-phase)

*Price correct at time of publication, subject to change. For full BP Chargemaster Homecharge Terms & Conditions visit [https://bpchargemaster.com/terms-and-conditions-of-sale-olev/](https://bpchargemaster.com/terms-and-conditions-of-sale-olev/)
Safety and assistance systems

Offering a wide range of safety features and technology to actively support you in every road situation – whether that’s changing lanes, keeping your distance or alerting you to blind spots, through to PRE-SAFE PLUS®.

### Safety and Assistance Systems
- KEYLESS-GO Comfort package
- Parking package with Active Parking Assist and 360° camera
- Cruise control
- EASY-PACK tailgate
- Head-up display
- Tirefit
- Traffic Sign Assist

### Driving Assistance package comprises:

#### Active Blind Spot Assist
- Exit warning function

#### Active Braking Assist
- Cornering and cross-traffic function; congestion/emergency braking function

#### Active Distance Assist DISTRONIC
- Active Speed Limit Assist
- Extended restart function on motorways
- Route-Based Speed Adjustment with end-of-tailback function

#### Active Lane Keeping Assist

#### Active Steering Assist
- Active Lane Changing Assist
- Active Emergency Stop Assist with SOS function
- Emergency lane function

#### Evasive Steering Assist

#### Pedestrian warning function near pedestrian crossings

### PRE-SAFE® PLUS
- When a rear-end collision threatens, PRE-SAFE® PLUS can initiate preventive measures, including warning following traffic and locking the brakes on standstill

The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Battery Electric Vehicles (BEV), figures are determined with battery fully charged. These models require mains electricity for charging.

Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real-life driving results, which will depend upon a number of factors including the starting charge of the battery, factory-fitted options, accessories fitted post registration, variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at http://www.mercedes-benz.co.uk/WLTP

²The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£715.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%.

1. Figures according to Regulation (EC) No. 595/2009 in the currently applicable version
2. Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wallbox (three-phase) or standard socket (single-phase)
3. Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–80% charge using public rapid charging at 110 kW
4. The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Battery Electric Vehicles (BEV) figures determined with battery fully charged.
5. These models require mains electricity for charging. Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load.
6. Further information about the test used to establish fuel consumption and CO₂ figures can be found at [http://www.mercedes-benz.co.uk/WLTP](http://www.mercedes-benz.co.uk/WLTP)
7. All figures are based on a standard specification with the smallest tyre size. The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence.
8. Figures according to Directive 70/156/EEC as amended by 2000/40/EC
Dimensions

All measurements in millimetres. The dimensions shown are mean values and apply to standard specification, unladen vehicles.
Services and insurance

Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your EQC, which is why we offer ServiceCare.

ServiceCare is an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend at £22 per month, or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

To receive a personalised ServiceCare plan recommendation visit the ServiceCare Calculator at servicecarerates.mercedes-benz.co.uk

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What’s more, it’s also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Battery Warranty

The battery comes with an eight-year 100,000-mile warranty.

Motor Insurance

Superb cover comes as standard. When reviewed by an independent research company, Defaqto, Mercedes-Benz Motor Insurance received a five-star rating, the highest rating available. We design our Motor Insurance specifically for Mercedes-Benz drivers. For more information or to obtain a quote, click here.

¹Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Retailers ²Subject to full Terms and Conditions, dependent on date of registration, available upon request

Mercedes-Benz Motor Insurance is underwritten by Aviva Insurance UK Limited. Credit provided, subject to status, by Mercedes-Benz Financial Services UK Ltd, MK15 8BA ³For joint protection, calls may be recorded and/or monitored. All calls charged at local rate.

We may decline to quote in some circumstances
Mercedes-Benz Finance

Why should you finance with Mercedes-Benz?

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put just as much thought, time and effort into designing our finance options, our service plans and our insurance cover as we do into our vehicles.

We are not in the business of simply providing a loan to fund the purchase of your dream vehicle. We look on it as a journey that we take with you, from the moment you choose your new Mercedes-Benz, to helping you in choosing your next one.

If you would like to find out more about any of our current offers, simply call into your local Mercedes-Benz Retailer where one of our Business Managers will be more than happy to talk you through anything you need to know.

Helping you find the right solution.

You should find our finance packages are more convenient than a traditional personal loan because:

- Funds are immediately available – no waiting for cheques or loans to clear.
- There is no security required – either against your home or other assets.
- We have clear and transparent rates – the APR we quote is the APR you get.
- We have friendly Business Managers – experts in vehicle finance who can talk you through all of your plans in detail.

We also offer Contract Hire, Operating Lease and Hire Purchase solutions. If you would like to find out more about these speak to your Retailer or visit www.mercedes-benz.co.uk/fandi
