

# GAP Insurance

Protect yourself against a financial shortfall

Mercedes-Benz Insurance

Guaranteed Asset Protection (GAP) Insurance is designed to cover any difference between the settlement your motor insurer will pay you if your car is stolen and not recovered or written off, and the price you paid for your car when you bought it. The difference in these two values is the GAP that this product is designed to cover.

Shortfall GAP covers

Amount Motor Insurance pays out

Please speak with the Retailer who will find the right cover for you.

- Choose from 12 to 48 months' cover; customers who lease their vehicle can choose up to 60 months cover
- If you are a taxi, courier or chauffeur driver, we have cover available
- Peace of mind that we deal with your claim on your behalf
- We will cover your excess up to £250 whether the claim is your fault or not.
