

Tyre & Alloy Insurance

No need to tread carefully

Mercedes-Benz Insurance

Your tyres and alloys improve the appearance of your vehicle but can easily be damaged by potholes, kerbs and stone chips. Tyre & Alloy Insurance is designed to help cover these damages by repairing or replacing with a remanufactured wheel.

What's included:

- We offer 24, 36 or 48 month policy terms to complement the length of time you plan to keep your Mercedes-Benz
- You're covered for accidental or malicious damage to your tyres and alloys
- The duration of your cover determines the number of remanufactured alloy replacements for which you can claim
- £25 excess is payable for any claim.

For more information speak with your Retailer or visit us at:
