Key Notes

All vehicles are priced as non-metallic. You may supply metallic (body panels) using the same VTN. If you supply metallic (body panels), the cost of paint will automatically trigger a reimbursement payment by the manufacturer.

If your customer requests Matt paint finish to the body panels or non standard tridion safety cell colour you must charge the customer the additional cost (at the time of order) in addition to the advance payment

Any optional extras must be charged to the customer on a separate invoice.

Any vehicle pricing queries will need further confirmation by the manufacturer Motability pricing team via email at mercedes-benzfleetsales@daimler.com

Do not accept orders for any vehicles without (a) receiving confirmation of pricing first - always refer to Network News/ Manufacturer before proceeding (b) secure commission number for vehicle

Please advise your customers to return the vehicles with their original panels at the end of their lease.

These vehicles are only available through Motability accredited participating Mercedes-Benz Retailers and are not available in conjunction with any other offer.
