### **Please note**

This document provides information about the model range line-up and specifications of the Vito. It also contains key details about options, economy and performance of all variants. Details are correct at time of publication and are subject to revision. Any images used in this document may not reflect UK specification and are for illustrative purposes only. Images may show optional equipment which does not form part of UK standard specification.

# The Mercedes-Benz Vito Tourer.

## Take your business further.

The Mercedes-Benz Vito Tourer's wealth of innovations and safety features as standard, coupled with its incredible versatility, make it so much more than just a mid-size van. With two Tourer types to choose from, the vehicle is designed to meet the needs of a wide range of businesses and their diverse requirements...

### Vito Tourer PRO

**Our standard Tourer, the Vito Tourer PRO offers flexible seating for eight people, with quick release mounts in the passenger compartment, meaning it can easily be transformed into a 5, 4 or 2-seater vehicle, creating space for bulky loads.**

The steering wheel can be tilted and adjusted in height, while the heated power exterior mirrors make life easier for drivers. And with tinted green glass and practical stowage facilities in the side wall panelling, passengers can travel in spacious comfort and style.

### Vito Tourer SELECT

**Sleek, sporty and offering superior comfort – the Vito Tourer SELECT's luxury seats with armrests, adjustable backrests and head restraints help passengers to relax, while a quick-release seat rail system enables the position of the bench seats to be adjusted for extra leg room.**

For drivers, the TEMPMATIC air conditioning system helps to create the perfect climate, the multifunction steering wheel with trip computer places vital functionality at their fingertips, and the instrument cluster with pixel-matrix display is clear at any time of day.

**Whatever your business,  
there's a Vito that works for you...**

# List prices

Model / Body style	Tourer PRO			Tourer SELECT		
	Compact	Long	Extra-long	Compact	Long	Extra-long
114CDI	£27,110	£27,520	£28,050	£30,000	£30,400	£30,940

\*The weight of driver and passengers must be deducted from this figure to calculate a cargo payload.

The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK.

<sup>^</sup>CO<sub>2</sub> figures have been converted into NEDC-equivalent values for use with the current VED and BIK tax legislation.

Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including the factory fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load.

Further information about the test used to establish fuel consumption and CO<sub>2</sub> figures can be found at [www.mercedes-benz.co.uk/WLTP](http://www.mercedes-benz.co.uk/WLTP)

**Terms and Conditions** Vehicle and option availability and combinations may be subject to change since this price list was issued. Model and option List Price are quoted ex-factory and exclude VAT unless otherwise stated. A standard delivery charge of £600 excluding VAT will be added to model prices quoted in this price list. All model prices include standard finish paint choice. The right is reserved to alter specification and vary prices without notice. The availability of options may depend on the chosen base vehicle and other optional equipment specified, and should be confirmed with your Mercedes-Benz Dealer prior to order placement.
