Discover EQ or Electric Intelligence by Mercedes-Benz is our electric mobility brand.

To support the shift away from fossil fuel-powered vehicles to more sustainable alternatives, our eMobility range is growing year on year with a range of choice in hybrid and plug-in hybrid vehicles. Learn more about them below.

**EQ**

100% Electric (Battery Electric Vehicle)

By 2022, Mercedes-Benz and smart will offer 10 pure battery electric vehicles across all segments. The first will arrive later this year: the EQC.

**Benefits**
- No driving emissions
- Maximum torque as soon as the wheels turn
- Almost silent
- Wide range of charging options

**EQ Power**

Plug-in Hybrid (PHEVs)

Mercedes-Benz vehicles with EQ Power branding are plug-in hybrids (PHEVs), featuring either a petrol or diesel powertrain combined with a HV battery and electric motor.

**Benefits**
- All-electric operation possible
- Battery can be charged via power socket, regenerative braking or combustion engine
- Extremely low fuel consumption

**EQ Boost**

Hybrid Assist (Hybrid)

Some of our vehicles benefit from EQ Boost technology, which feature a 48V integrated starter generator/motor alongside a combustion engine, offering a better acceleration performance, lower emissions and improved efficiency.

**Benefits**
- Reduces fuel consumption
- Charges the battery with kinetic energy or through regenerative braking
- Short distances can be covered on electric power
- Extra boost e.g. for overtaking

**EQ Ready**

EQ Ready app

Are you considering an electric vehicle or just curious? The EQ Ready app can show you if an electric car could fit your lifestyle. Just download the app and drive as normal, we’ll show you the rest.

Orders/placements on selected models only, subject to status. The indicated values were determined under the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Values shown may not reflect real life driving results, which will depend upon a number of factors including factory fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ emissions can be found at uk.smart.com/wltp. Figures shown are for comparability purposes; only compare values for use with the current VED and BIK tax legislation. *CO₂ figures have been converted into NEDC-equivalent values for use with the current VED and BIK tax legislation. **Incl. VAT 6p per mile. ServiceCare is available on selected models only, subject to status. ³Monthly payment based on two services taken over 24 months. Please speak to your smart Retailer for additional payment terms and available service cover periods.

Mercedes-Benz Finance.

At Mercedes-Benz we believe a great driving experience should be matched by an equally great ownership experience. That is why we put as much thought, time and effort into designing our finance options as we do our vehicles.

Agility (our Personal Contract Purchase product) is one of our most popular finance products.

At the start of an Agility agreement, you decide an amount you would like to put down as a deposit and the term of your agreement, as well as your annual mileage. Your Finance Specialist at your local retail site will advise you of the Optional Purchase Payment of your chosen Mercedes-Benz, which offers you the reassurance of knowing exactly what you will need to pay to own the vehicle outright in the future (this is known as the Optional Purchase Payment). The Optional Purchase Payment enables you to benefit from lower monthly payments as you are only financing a proportion of the vehicle’s value. Throughout your agreement you simply pay your agreed monthly payments.

We also offer Contract Hire, Operating Lease and Hire Purchase solutions to help ensure you find the right finance product for you. To find out more, please contact your nearest Mercedes-Benz Retailer or visit mercedes-benz.co.uk/finance

Warranty.

Every new Mercedes-Benz comes with a comprehensive three-year warranty. Should you encounter any problems during this period caused by a manufacturing fault, we’ll sort it out free of charge.

For more information about our warranty, contact your nearest Mercedes-Benz Retailer.

Roadside Assistance.

Enjoy free Roadside Assistance for three years with any new Mercedes-Benz or one year with all Approved Used cars.

- Our support teams are available 24 hours a day, 365 days a year across both the UK and Europe.
- We can recover your car to your home or a Mercedes-Benz Retailer, anywhere in the country.
- Cover automatically transfers to new owners.
- If your car needs to be recovered into the Mercedes-Benz Retail network, we can provide you with a replacement for up to 3 working days (excluding Accident Assistance).
- Our Customer Assistance Centre are on hand to discuss any incidental costs that might arise from stopping your journey early, such as hotels and onward travel.
- Before you get your car back, we’ll provide a complimentary Visual Health Check, to make sure everything is in order.
