¹The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK.

²CO₂ figures have been converted into NEDC-equivalent values for use with the current VED and BiK tax legislation.

³The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£7,150.00 incl. VAT), new vehicle registration fee (£55.00) and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%.

*Figures shown are for comparability purposes only; compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at [http://www.mercedes-benz.co.uk/WLTP](http://www.mercedes-benz.co.uk/WLTP). A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 44 for the relevant rates for the second and subsequent years.*
Mercedes-Maybach S 650 – Exterior

The exterior design of the Mercedes-Maybach S-Class combines stylish poise and assurance with trailblazing exclusivity. The dramatic exterior lines convey an impression of power and dynamism. The prominent front end immediately asserts the ambition to lead. The striking bonnet and sharply-defined headlight contours accentuate the high-tech character of the car. Its elegant looks are emphasised by the three twin louvres of the radiator trim in chrome complete with ‘MAYBACH’ lettering.

Closing aid for doors and boot lid
When initially engaged, doors and boot lid are automatically closed by servo motors, ensuring smooth and virtually silent closing

Doorhold system

Door mirrors – electrically operated, folding and heated

Downward projection of Maybach logo from the front and rear doors

Exhaust system – with twin visible chrome-plated tailpipes

Heat-insulating, noise-insulating and infrared-reflecting laminated glass

KEYLESS-GO Comfort package – KEYLESS-GO, remote boot closing and hands-free access
Vehicle can be conveniently unlocked, started and locked, simply by carrying an electronic key. In addition, the convenient hands-free access function allows hands-off, fully automatic opening and closing of the boot lid by performing a kicking motion under the rear bumper – particularly useful when laden with luggage

LED rear lights

MAGIC BODY CONTROL with Curve Tilting Function
Features a highly-sensitive sensor system that scans the road ahead for bumps or potholes and then adjusts the car’s suspension accordingly. Curve tilting allows higher cornering speeds with reduced body lean, thereby improving cornering stability, thus creating high levels of comfort.

MAGIC VISION CONTROL
Allows the driver the best possible visibility even during the wiping process. Washer fluid is sprayed directly in front of the wiper blades and wiped away without delay. A heating system effectively lowers the risk of icing up

MULTIBEAM LED with ULTRA RANGE Highbeam
Enables quick, precise adjustment of the driving lights to the current road and traffic conditions. The light can always be switched on precisely where it is required via 84 individually controllable LEDs. Adaptive Highbeam Assist Plus as part of MULTIBEAM LED allows the continuous use of high-beam headlights, as illuminated vehicles which are detected and which might be dazzled are excluded from the cone of light. The range of the ULTRA RANGE Highbeam reaches up to 642 m.

Panoramic sliding roof with MAGIC SKY CONTROL
Large panoramic roof changes from dark to transparent or vice versa within a few seconds. In its tinted state, it substantially reduces heating-up of the vehicle interior

Parking package – Active Parking Assist with PARKTRONIC and 360° camera
PARKTRONIC monitors front and rear while vehicle is being manoeuvred and warns the driver if risk of collision is detected. Active Parking Assist helps find appropriate parking slots and can also automatically manoeuvre the car in and out of perpendicular and parallel parking spaces

Privacy glass – from side windows of rear B-pillar round to rear window

Radiator grille – new Maybach-specific design with chrome vertical struts and ‘MAYBACH’ lettering

Rear fog light in LED technology, in the centre of the rear apron

Remote boot lid release

Run-flat tyres

Speed-sensitive steering with variable steering ratio

‘V12’ lettering on front wings

Windscreen wipers including rain sensor with two sensitivity stages
Mercedes-Maybach S 650 exterior. Optional feature shown: designo ruby black (lower colour)/aragonite silver (upper colour) (code C17)
Wheel choices

Choose between multi-spoke alloy wheels painted in thulium silver; or, instead of delicate spokes, exclusive 10- or 20-hole forged alloy wheels (available at no additional cost), which underline the flagship model's high-quality look.

20” alloy wheels (4) (code 13R) – standard
Multi-spoke design painted in thulium silver
front: 245/40 R 20 tyres, rear: 275/35 R 20 tyres

20” alloy wheels (4) (code R28) – no-cost option
Multi-spoke forged in high-gloss ceramic-polished
front: 245/40 R 20 tyres, rear: 275/35 R 20 tyres

20” alloy wheels (4) (code R91) – no-cost option
Maybach 10-hole forged wheels
front: 245/50 R 20 tyres, rear: 275/35 R 20 tyres

20” alloy wheels (4) (code 17R) – no-cost option
Maybach 20-hole forged wheels
front: 245/50 R 20 tyres, rear: 275/35 R 20 tyres
Mercedes-Maybach S 650 – Interior

The interior of the Mercedes-Maybach S-Class indulges its passengers with a luxurious atmosphere of well-being. The cockpit impresses with its sophisticated, uncluttered design, an innovative control and display concept, and craftsmanship showing unerring attention to detail. Occupants of the Mercedes-Maybach S-Class travel in unsurpassed comfort, relaxation and safety. Apart from ensuring excellent support, the luxurious seats offer six different massage settings. Memory functions for seats and headrests, as well as steering column and exterior mirrors can be stored and recalled at the touch of a button for up to three passengers.

12V sockets (4) – one in front and two in rear of centre console, and one in boot

AIR-BALANCE package
Premium scents are available to provide an individual atmosphere to suit your mood and taste. At the same time, a unique ionising and filtering process helps to enhance the air quality inside the cabin.
AGARWOOD MOOD is standard with the S-Class Maybach. A choice of high quality interior fragrances to suit personal preferences is available from Mercedes-Benz Accessories.

Ambient lighting – choice of 64 colour settings

Climatised front and rear seats including seat heating and ventilation

Cup holders – front (2) and rear (2)

Dual-bonded widescreen (12.3-inch) cockpit display with COMAND Online system

Electric roller sun blinds – rear window and rear side windows

Electric windows (4) with PRE-SAFE® closing function

ENERGIZING Comfort
Intelligent cross-linking of all comfort systems. Drivers can choose from six different expert-configured programs for activation and relaxation, depending on their personal needs.

Floor mats (4) – velour floor mats
Replaced with designo floor mats when ordering the designo Exclusive semi-aniline leather

Front and Rear Seat Comfort package
Provides optimum lateral support by means of individually-controlled air chambers which inflate depending on steering angle, lateral acceleration and vehicle speed. Massage function has six different programs, with a choice of low- or high-intensity settings

Front and Rear Seat Memory package
Front seats, two outer rear seats, front head restraints, steering column and exterior door mirrors – electrically adjustable with memory and four-way lumbar support

Front centre armrest with embossed Maybach emblem
Diamond quilting replaces the embossed Maybach emblem when ordering the designo Exclusive semi-aniline leather

Garage door opener – integrated in rear-view mirror
For questions regarding compatibility please visit www.homelink.com

Glasses stowage compartment

Illuminated door sill panels with ‘MAYBACH’ lettering

Illuminated vanity mirrors in rear

IWC-design analogue clock

Map pockets on front and rear backrests

Parcel nets in boot and front passenger footwell

Reading lights – front and rear

Rear armrest including stowage compartment with cover
Replaced by Business Console which extends from the front centre console through to the parcel shelf when ordering the optional First Class Cabin package
Rear Seat Reclining package
EASY ADJUST luxury front head restraints; front seats with extended adjustment; reclining outer rear seats (up to 43.5°) and additional leg rest and footrest

Rear sill protector in stainless steel

Service indicator ASSYST

Smartphone integration with Android Auto and Apple CarPlay™

Steering column – electrically adjustable with EASY-ENTRY function

Steering wheel – 3-spoke multifunction sports steering wheel in wood/black nappa leather, with Touch Control buttons and with ‘MAYBACH’ lettering

Sun visors with illuminated vanity mirrors

THERMOTRONIC four-zone automatic climate control in the front and rear

Warmth Comfort package
Heatable armrests in front and rear; heated multi-function steering wheel
Upholstery and trim choices

The high-quality standard of the Mercedes-Maybach S-Class is impressively demonstrated in the material selection of the interior. There is the option to choose between designo Exclusive semi-aniline leather or Exclusive nappa leather.

**designo Exclusive semi-aniline leather features**
- Centre part of dashboard partially finished in quilted diamond pattern in silk beige nappa leather
- designo velour floor mats
- Front and rear centre armrests in nappa leather with diamond quilting (rear only with First Class Cabin package)
- Seat upholstery layout featuring an exclusive diamond design on the entire seat centre section upholstery buttons and Budapest piping
- Upper part of the dashboard and beltlines in nappa leather with piping and contrasting topstitching
- ‘Maybach’ badge in the backrests of front and rear seats

**Exclusive nappa leather features**
- Front and rear centre armrests in nappa leather with contrasting topstitching
- Seat upholstery layout with diamond design and contrasting topstitching
- Upper section of instrument and door centre panels in nappa leather with contrasting topstitching
- Velour floor mats
Upholstery choices – designo Exclusive semi-aniline leather

It takes just a few carefully chosen ingredients to turn your Mercedes-Maybach S-Class into an individual work of art. designo Exclusive semi-aniline leather upholstery in silk beige combined with satin red pearl, titanium grey pearl or deep sea blue adds to a truly luxurious look. All colour options are available at no additional cost. All choices feature a quilted diamond pattern repeated in the centre section of the dashboard, seats in designo Exclusive semi-aniline leather with diamond design detail to the entire seat centre section, upholstery buttons, Budapest piping and ‘Maybach’ badges.
Upholstery choices – Exclusive nappa leather

Exclusive nappa leather makes an especially soft impression due to its smooth and natural surfaces, giving the interior that ‘feel-good’ factor. Exclusive nappa leather is available in four attractive colour options at no additional cost.
Trim choices

Add eye-catching highlights to your Mercedes-Maybach S-Class, thanks to a carefully-selected range of high-quality light and dark wood trims as well as designo black piano lacquer. All trim choices are available as a no-cost option.

- designo black piano lacquer flowing lines (code H16)
- designo black piano lacquer (code H21)
- Black high-gloss poplar wood (code 729)
- Brown burr walnut wood (code H29)
- designo black piano lacquer (code H21)
The term ‘standard’ hardly befits Mercedes-Maybach’s level of equipment. It’s hard to find a limousine with such a high degree of comfort and safety. The seats incorporate a wealth of features for your wellbeing. They are designed to offer the best support and maximum relaxation thanks to climatisation, as well as a Front and Rear Seat Comfort package. The two outer rear seats can be reclined up to 43.5°.

For an even brighter atmosphere inside the cabin, there is a panoramic sliding roof with MAGIC SKY CONTROL. All the while, the Burmester® high-end 3D surround sound system, TV tuner and TV rear entertainment system with two 10-inch screens, DVD player and wireless headphones answer all your audiovisual needs.
Embossed Maybach emblem on centre armrest

Panoramic sliding roof with MAGIC SKY CONTROL

Wireless charging for mobile phones in the front

Night View Assist Plus

Front Seat Memory package

Burmester® high-end 3D surround sound system speakers
Security and Safety (continued)

Automatic child seat recognition (ACSR) on front passenger seat for child seats with transponder specially approved by Mercedes-Benz

Automatically dimming rear-view mirror and driver's exterior mirror

Brake Assist (BAS) with brake servo assistance when emergency braking is detected

Brake pad wear indicator

Crosswind Assist
Detects sudden, strong gusts of wind and helps the driver stay in lane by means of targeted braking

Driving Assistance package

Electric parking brake

Electronic Stability Programme (ESP®) with Acceleration Skid Control (ASR)

ESP® Curve Dynamic Assist
Especially when accelerating on bends, ESP® can ensure improved handling by detecting understeer and effecting a remedy through braking intervention

Exterior mirrors – electrically adjustable, folding and heated

First-aid kit

Front passenger seat with PRE-SAFE® positioning function

Headlight Assist – automatic headlight activation

Head restraints, rear (3) – outer two, electrically adjustable

Intelligent Rear Seat Belts package
Illuminated seat belt buckle extenders facilitate seat belt fastening on outer rear seats
Inflatable three-point seat belts with integrated belt bags on outer seats

i-Size and ISOFIX child restraint system (two outer seats)

Locking wheel bolts

Night View Assist Plus
Enables drivers to recognise pedestrians or larger animals earlier in the dark. They are clearly shown on the multifunction display of the instrument cluster. To do this the system illuminates the road ahead with two dazzle-free infrared lights. With the help of an infrared camera located behind the windscreen, the entire area within high beam headlight range is shown as a crystal-clear greyscale image. A thermal imaging camera in the radiator grille is able to give a precise warning by distinguishing between irrelevant objects such as traffic sign combinations or bushes and relevant objects such as pedestrians or large animals. The latter are highlighted in colour by small ‘photo mounts’. The Spotlight function enables endangered pedestrians to be flashed at several times, so that the driver recognises them even more quickly and the former recognise the danger

PRE-SAFE® anticipatory safety system

PRE-SAFE® Impulse
In the early phase of a crash, the front occupants are pulled away from the direction of impact and deeper into their seats by their seat belts

Rain-sensing wipers – two-stage

Rear seat belt status indicator

Remote central locking

Seat belts, rear (3) – three point

Seat belt pre-tensioners, belt force limiters and automatic belt height adjustment – front and outer rear seats

Traffic Sign Assist
The front-mounted camera detects speed limit warnings, no-overtaking signs and their cancellation, and shows them in the COMAND display. If a no-entry sign is detected and the driver disregards this, the systems emits a visual and acoustic warning as part of the no-entry warning function

Tyre pressure monitoring system

Warning triangle

Communications and In-Car Entertainment

Bluetooth® interface with high-definition call quality for hands-free telephony

Burmester® high-end 3D surround sound system
26 speakers and 28-channel amplifier with total output of 1,590 W
Dual-bonded widescreen (12.3-inch) cockpit display with COMAND Online system

Downward projection of Maybach logo from the front and rear doors

Head-up display

Mercedes me connect

MAGIC VISION CONTROL – adaptive windscreen wiper system

Privacy glass
Communications and In-Car Entertainment (continued)

Car telephony with SIM card module
Telephone module and SIM card reader in the glove compartment (permanently installed). Direct cable connection to the exterior aerial via a mobile communications transmission and reception unit integrated into the vehicle. LTE mobile telecommunications standard. Operation by coupling the mobile device via the Bluetooth® protocol SAP or by using the customer’s vehicle SIM card. Hotspot availability as a result of using the customer’s contract

Central controller dial to operate audio functions and telephone (when connected)

COMAND Online system with Media Interface
Includes radio, 12.3-inch colour display, hard disk drive (HDD) navigation with 3D map display, Live Traffic Information and European map data updates free of charge for the first three years, Speed Limit Assist and LINGUATRONIC voice control. Integrated WLAN hotspot for onboard access of WLAN-enabled devices. Also includes SD memory card slot, 10 GB music register and MP3 compatibility. Media Interface allows connection and control of portable media devices (e.g. MP3 player, USB storage media)

COMAND Online remote control

DAB digital radio tuner

Digital operating instructions for COMAND Online

Dual-bonded widescreen (12.3-inch) cockpit display with COMAND Online system

Head-up display – key driver information at a glance
A virtual image (approx. 21 x 7 cm) is projected into the driver's field of view, appearing to float above the bonnet approx. 2 m ahead. Both display height and content can be adjusted individually, while the information shown can be activated and deactivated according to your preference

Mercedes-Benz emergency call system (eCall)

Mercedes me connect (standard services)
Including emergency call system (eCall), accident recovery, breakdown management and maintenance management; Mercedes-Benz apps and in-car internet access for Facebook, internet radio, sending routes from Google Maps™ to the vehicle, news and weather reports; internet-enabled mobile phone required

Rear seat entertainment system
Two 10-inch screens on rear seat backrests, DVD player, two sets of wireless headphones and remote control for COMAND Online system

Rear wireless charging
Wireless charging for numerous mobile phones that support or can be upgraded to support the Qi standard

Smartphone integration – comprising Apple CarPlay™
Compatible iPhones (iPhone 5 and newer) can be integrated into the vehicle via Apple CarPlay™. Please check on www.apple.com/uk/ios/carplay/ for compatibility and approved apps. Certain features and apps require a 3G or 4G data connection. Control of features available through voice control and controller on centre console

Touchpad

Voice amplification system
This innovative function makes it easier to communicate with the rear passengers from the front. The two microphones in the interior mirror are also used to pick up speech for the hands-free telephone system. These signals are then discreetly amplified depending on the amount of driving noise, and continuously adjusted for the speaker's volume and the ambient noise level

Wireless charging system (front) for mobile devices
Charges mobile phones which support the Qi standard wirelessly on a charging surface, Near Field Communication (NFC) for quickly connecting to mobile phone
Rear wireless charging
Wireless charging for numerous mobile phones that support or can be upgraded to support the Qi standard

Car telephony with SIM card module
Telephone module and SIM card reader in the glove compartment (permanently installed). Direct cable connection to the exterior aerial via a mobile communications transmission and reception unit integrated into the vehicle. LTE mobile telecommunications standard. Operation by coupling the mobile device via the Bluetooth® protocol SAP or by using the customer’s vehicle SIM card. Hotspot availability as a result of using the customer’s contract.
Driving Assistance package (standard)

More comfort and less stress for the driver, and therefore more safety for all road users, for example by virtue of semi-automated driving, autonomous braking in certain dangerous situations and active assistance during evasive and braking manoeuvres initiated by the driver.

Active Distance Assist DISTRONIC controls the distance to vehicles in front up to a speed of 131 mph and if necessary brakes the vehicle with up to 50% of the maximum braking power.

Active Steering Assist helps the driver keep the vehicle in the centre of its lane on straight stretches of road or slight bends. Reduces the risk of accidents and improves protection for both the occupants and other road users.

Active Speed Limit Assist adopts speed limits detected automatically as the new set speed for Active Distance Assist DISTRONIC.

Active Braking Assist with Cross-Traffic Function and Congestion emergency braking function can help to avoid or lessen the consequences of accidents with vehicles in front as well as crossing vehicles and pedestrians.

Evasive Steering Assist is able to support the driver with making an evasive manoeuvre when, in a situation of danger, he/she decides to avoid a pedestrian who has been detected by the system.

Active Blind Spot Assist can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one-sided brake application.

Active Lane Keeping Assist can warn the driver when they unintentionally leave their lane and can use one-sided brake applications to help manoeuvre the vehicle back into its lane (including in the case of broken lane markings if there is a risk of collision).

PRE-SAFE® PLUS is able to initiate preventive measures to protect occupants against an impending rear impact, including warning traffic following behind, activating the seat belt tensioners or applying the brakes when the vehicle is stationary.

Route-based speed adaptation. Adaptation of speed before curves, roundabouts, junctions, toll roads. Allows for smoother and more accurate functionality of several driving assistant systems.
First Class Cabin package

Business or pleasure, the First Class Cabin is at your service. Here, rear seat passengers can work or relax in complete luxury. Boot space is reduced by 40 litres.

First Class Cabin package (code DA9) – designed and priced as a package, including items as listed.

Total incl. VAT £7,300.00

Champagne flutes
A drive in a quite exceptional vehicle can be celebrated in style with two high quality silver-plated champagne flutes

Individual rear seats
The continuous Business Console transforms the rear into a mobile office. Two 12 V sockets and temperature-controlled cup holders make for a comfortable travelling and working environment. The Business Console extends from the front centre console through to the parcel shelf

Folding tables in the rear
With the two high-quality folding tables, the Business Console of the First Class rear suite can be converted into an office desk in seconds. The stowage trays provide space for a notebook or working documents

Refrigerated compartment in rear
Elegantly integrated into the rear armrest and with a capacity of approx. 8.5 litres. Temperature can be set between approx. 4–15°C using two control switches
Individual rear seats
designo Leather package

With high-grade touches of leather in the interior, the designo Leather package sets a luxurious and stylishly coordinated tone – from the instrument panel to the window frame trim and seat cushions to the designo nappa leather roof liner.

designo Leather package (code U61) – designed and priced as a package, including items as listed. Total incl. VAT £13,150.00

designo nappa leather roof liner with topstitching
Including leather-covered sunblinds, grab handles and A-, B- and C-pillars
Rear vanity mirrors leather-covered with diamond quilting
Finished in porcelain (75U) in vehicles with interior in silk beige/deep sea blue (962A), silk beige/satin red pearl (965A) or silk beige/titanium grey pearl (975A)

Front seat consoles on driver and front passenger sides in nappa leather in the upholstery colour

Side instrument panel covers on driver and front passenger sides in nappa leather in the upholstery colour

Two seat cushions in the upholstery colour, two-tone with border in diamond quilting and MAYBACH logo:
Finished in nappa leather with Exclusive nappa leather interior; or in designo Exclusive semi-aniline leather/nappa leather with designo Exclusive semi-aniline leather interior

Window frame trim at front (including triangular tweeters) and rear in nappa leather in the upholstery colour
Colour choices – metallic paints

The highly durable nature of the Mercedes-Benz paint system makes it one of the best clear coats available in the automotive industry. Metallic paint finishes are all available at no additional cost.

- Selenite grey (code 992U)
- Iridium silver (code 775U)
- Diamond white (code 799U)
- Diamond silver (code 988U)

Please note that, owing to limitations of on-screen representation, paint colours may differ from those shown.

designo ruby black (lower colour)/obisidian black (upper colour) (code C18)
Mercedes-Maybach Genuine Accessories

We’ve developed a range of Accessories you can add to help personalise and enhance your Mercedes-Maybach S-Class. Your local Mercedes-Benz Retailer can advise on fitting costs of Accessories, where applicable. Further information on our full range of Genuine Accessories can be found here on the Mercedes-Benz UK website.

### Style & Travel
The ‘Style & Travel Equipment’ components are simple to attach and remove. The modular system centres around a base support which can be combined with the product of your choice – coat hanger, universal hook or folding table

- **Base support** (A0008103300): RRP £23.64 (incl. VAT)
- **Coat hanger** (A0008103400): RRP £67.60 (incl. VAT)
- **Folding table** (A0008160000): RRP £108.60 (incl. VAT)
- **Bag hook** (A0008140000): RRP £28.00 (incl. VAT)

### Champagne flute (A2228430000)
Exclusive, solid silver-plated Robbe & Berking champagne flute for insert in the rear centre console
RRP £656.50 (incl. VAT)

### Flacon perfume atomiser, transparent/black (part numbers vary)
The interior of the vehicle can be fragranced individually to suit your tastes. Flacons for perfume atomiser, 15 ml. Available in a variety of fragrances.
RRP from £56.00 (incl. VAT)
Mercedes-Maybach Collection

The Mercedes-Maybach Collection is a range of products bearing the famous Mercedes-Maybach insignia and is designed to the same high standards as our cars. You can expect to find the uncompromising quality and innovation for which Mercedes-Benz is best known in our Collection items. Further information can be found on www.mercedes-benz.co.uk/collection

Business card wallet, black (B66958068)
With its three slip pockets, the black nappa lambskin lends the wallet a refined look with metal stud on the front, featuring the double M logo outlined in black. The back is embossed with MAYBACH lettering. Size approx. 10.5 × 7.0 cm
RRP £235.00 (incl. VAT)

Key ring, black (B66958069)
This high-quality key ring in nappa leather and zamak alloy with MAYBACH lettering offers a strong visual appeal. The harmonious design is rounded off by a three-dimensional metal double M logo on the front
RRP £200.00 (incl. VAT)

Cufflinks, black (B66958071)
The Maybach cufflinks are certain to round off your look to perfection. These black accessories in glass on silver rhodium complement any outfit. The design is completed by a sand-blasted double M logo on the front and engraved MAYBACH lettering on the back
RRP £141.60 (incl. VAT)
**Business bag, black (B66958072)**
The practical bag in black calfskin offers space for numerous documents and has an attractive look, rounded off with beige topstitching, an embossed double M logo on the front, MAYBACH lettering on the back and four metal studs. It features a two-way zip fastening, and various compartments inside and a pocket for documents outside of the bag. The detachable, adjustable and padded leather shoulder strap ensures optimum carrying comfort. Size approx. 38 × 41 × 10 cm
RRP £4,213.50 (incl. VAT)

**Holdall, black (B66958610)**
The travel bag in calfskin offers space for everything that’s important with two main and several internal compartments. Among the design features of the bag is a padded inner compartment that makes it easy to securely carry a notebook or important documents. The adjustable carrying strap made from the original material of the Mercedes-Maybach seat belts makes it possible to adjust the bag to fit for comfortable carrying. You can also fasten the bag to a trolley case. Size approx. 56 × 28 × 32 cm
RRP £1,999.00 (incl. VAT)

| 20" alloy wheels – code R28 | 320 |
| 20" alloy wheels – code R91 | 320 |
| 20" alloy wheels – code 17R | 320 |

### Insurance

| Group rating | 50E |

---

¹Figures according to Directive 80/1269/EEC in the currently applicable version
²Electronically limited
³Mass of the vehicle in running order with at least 90% full fuel tank, plus the mass of the driver (estimated by law at 75 kg), fuel and fluids, equipped with the standard equipment as specified by the manufacturer as well as, where applicable, the mass of the body, cab, trailer coupling and spare wheel(s) as well as tools. Optional extras, additional equipment and accessories can influence the weight, residual payload, rolling resistance, aerodynamics, etc., and therefore also affect the consumption/CO₂ values.
⁴All figures are based on a standard specification with the smallest tyre size
⁵The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence
⁶The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK
⁷CO₂ figures have been converted into NEDC-equivalent values for use with the current VED and BIK tax legislation.

Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at [http://www.mercedes-benz.co.uk/WLTP](http://www.mercedes-benz.co.uk/WLTP).
Dimensions

All measurements in millimetres. The dimensions shown are mean values and apply to standard specification, unladen vehicles. Dimensions may vary slightly depending on the engine. Please consult your Retailer for further information.

The figures on pages 44–45 are correct at time of publication. Please refer to the government website for latest data – http://www.dft.gov.uk/vca
All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle’s CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A–M) created by the DVLA and the corresponding Road Fund Licence CO₂ emissions are listed in the technical data on page 44, and the relevant Excise Duty is reflected in the on-the-road prices on page 4.

<table>

¹Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge, number plates, fuel and VAT.
Services and benefits

**Mercedes-Benz ServiceCare**

We believe that servicing costs should be as flexible and affordable as possible for your Mercedes-Maybach S-Class, which is why we offer ServiceCare.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

**Warranty and breakdown cover**

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What’s more, it’s also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

**Insurance**

Since our name is synonymous with reliability, who better to trust with your motor insurance? Mercedes-Benz Insurance provides a motor insurance policy specifically designed to give you the cover you would expect from Mercedes-Benz. For a motor insurance quotation, call 0345 600 2180.*

---

¹Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Retailers  
²Subject to full Terms and Conditions, dependent on date of registration, available upon request  
³Mercedes-Benz Motor Insurance is underwritten by Aviva Insurance UK Limited.  
Credit provided, subject to status, by Mercedes-Benz Financial Services UK Ltd, MK15 8BA  
*For joint protection, calls may be recorded and/or monitored. All calls charged at local rate. We may decline to quote in some circumstances
